- 1.2 Stride Learning RTOs are committed to developing and maintaining an effective, timely, fair and equitable complaints and appeals system which is easily accessible and offered to complainants at no charge. Stride Learning aims to:
  - develop a culture that views complaints and appeals as an opportunity to improve the organisation and how it works
  - set in place a complaints and appeals handling system that is client focused and helps Stride Learning RTOs to prevent these events from recurring
  - ensure that any complaints and appeals are resolved promptly, objectively and with sensitivity and in complete confidentiality
  - ensure that the views of each complainant and respondent are respected and that any party to a complaint or appeal is not discriminated against nor victimised
  - ensure that there is a consistent response to complaints and appeals
- 1.3 Stride Learning attempts to resolve any complaints, concerns and appeals fairly and equitably within 10 working days from receipt of a notice of complaint/appeal.
- 1.4 Where more than 60 calendar days are required to process and finalise the complaint/appeal, the complainant or appellant is notified in writing including reasons why more than 60 calendar days are required. Regular updates are provided to the complainant or appellant on the progress of the matter.

Stride Learning's Student Support Officers and other staff members are available to assist Students to resolve their issues at this level. Grievances should be mutually resolved within 10 working days of the matter being raised.

## 4. Lodging a complaint

- 4.1 Where matters cannot be resolved at the time they occur and informally, these are escalated by the complainee sending a completed Stride Learning Complaint Lodgement Form which can be provided by a Stride Learning office or through the Stride Learning website. The Form should be sent via email and addressed to the Complaints Officer through: [ceo@stridelearning.com.au](mailto:ceo@stridelearning.com.au)

- 4.5 The Student may request a face to face meeting with the CEO to formally present his or her case in appeal of the decision of the Complaints Manager. ## 5. External Appeals

- 5.1 In the case of an assessment appeal, an internal review of the assessment will be undertaken by one of Stride Learning's qualified assessors, through completion and submission of Stride Learning's Assessment outcome appeal lodgement form.
- 5.2 Following this internal review of the assessment, and should the Student remain dissatisfied with the outcome, the Stride Learning RTO concerned will appoint an independent, qualified assessor to review and make a decision on the assessment. This will be at a cost recovery basis to the Student and payable up-front.
- 5.3 The RTO is bound by the independent assessor's recommendations and the RTO will ensure that any recommendations made are implemented within 10 days of receipt of the report from the External Assessor.

## 6. External Complaints

- 6.1 Stride Learning acknowledges the need for an appropriate independent party to mediate where an agreed outcome cannot be reached internally and will offer to arrange this for complainants who are not satisfied with the decisions made by the RTO, at no additional cost to the complainant.
- 6.2 Where a complainant remains dissatisfied with the result or conduct of the Stride Learning RTO's internal procedures for handling of a complaint, they have the right to ask for the matter to be referred to an external appeals process. The complainant will have the right to have someone support them through this process.
- 6.3 Stride Learning uses the Resolution Institute as its external referring agency – as recommended by the Australian Council of Private Education & Training (ACPET).
- 6.4 If a grievance still remains unresolved after the external dispute resolution process, complainants may decide to refer the matter to an independent complaints agency such as:
  - ASQA (<http://www.asqa.gov.au/complaints/making-a-complaint.html>) - national RTOs. ASQA's role is not to act as a Student advocate for individual Students. Rather, ASQA uses the information reported through complaints to inform how it regulates training providers. ASQA can accept complaints about:
    - the quality of training and assessment services being delivered by ASQA-registered providers, and
    - the marketing and advertising practices of registered training organisations (RTOs) and organisations claiming to be RTOs.
- 6.5 The RTO will be bound by the independent agency's recommendations and the RTO will ensure that any recommendations made are implemented within thirty (30) days of receipt of the report from the External Reviewer.

## 7. Enrolment status

- 7.1 Where a Student chooses to access this policy and procedure, Stride Learning will maintain the Student's enrolment while the complaints handling process is ongoing.
